Remarks

This beautifully maintained, spacious home on a quite tree lined street in Wellesley Hills has it all with 3+ bedrooms and 3 1/2 baths. The home features an open floor plan with gorgeous hardwood floors throughout, central A/C and central vacuum. The main floor includes a spacious kitchen, dining room with fireplace and wonderful sun-filled family room. A spacious en suite master bedroom and two additional bedrooms with full bath complete the main floor. A large addition with vaulted ceiling was added including a full bath and ample closet space that could be used as an additional bedroom or office. The ground floor level has an additional family room with fireplace and 1/2 bath. An oversized, attached two car garage and plenty of storage space throughout. Desirable Wellesley location, Schofield Elementary, Warren Park and the commuter rail are all steps away. Rt. 9, 128/95 and the Mass Pike are just minutes away making it one of the best commuter locations in town. A must see!
